FRIENDLY

TEXTURE—New design.

A seamless fusion of form and function, the T7&T8 redefines business phone aesthetics.

- Modern office-inspired design with a **slimmer** profile, enhancing its contemporary appeal.
- Classic **tactile buttons** blend tradition with technology.
- The T8's sleek hidden hinge reinforces a seamless, integrated look.
- A **dedicated emergency button** is supported by the T8.

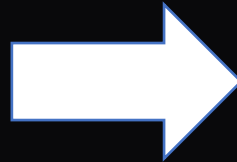

Sleek design, Perfect for modern offices

- Appearance upgraded with a slimmer and lighter design, seamlessly blending with modern office aesthetics to enhance space utilization.

Unfold it Seamlessly—Hidden Hinge

- The hidden hinge highlights the integrated design of the phone.

Delicate design—Touch Button & Emergency Button

- The touch button combines traditional buttons with modern technology to enhance the overall quality of the phone.
- The dedicated emergency button ensures the reliability of the alarm.

SECURITY—Next generation OS Revolutionize the way it operates.

- Integrate with **Linux 6.1** and **Android 13**.
- Improved security With **TEE hardware encryption**.

Android 13

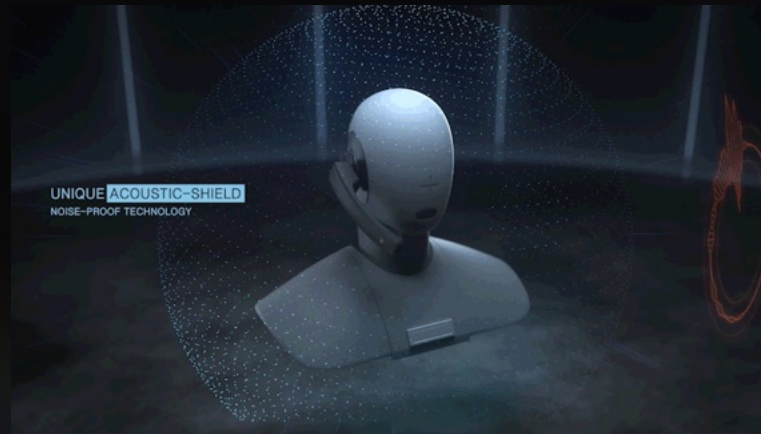

TEE hardware
encryption

ACOUSTICS—Real and clean call experience

- **AI Noise Cancellation** creates a clean communication environment.
- **Acoustic Shield** reduces background noise to ensure your voice crystal-clear.
- With **3W Speakers** delivering enhanced sound, Yealink new phones are built to impress.

USER EXPERIENCE—QUICK RESPONSE

- The T7XW and T8 are engineered for peak performance, featuring advanced **Bluetooth 5.0**, lightning-fast **Wi-Fi 6**.
- Supports **quick pairing** of Bluetooth headsets when they are close together.
- **Accessibility Support:** Large Text Mode, High Contrast Mode, and Color Correction for quick reading.
- T7X & T8X use a **new unified UI** with a simpler interface.
- The **BLF floating notification** unique to T7X and T8X allows you to understand each other faster.

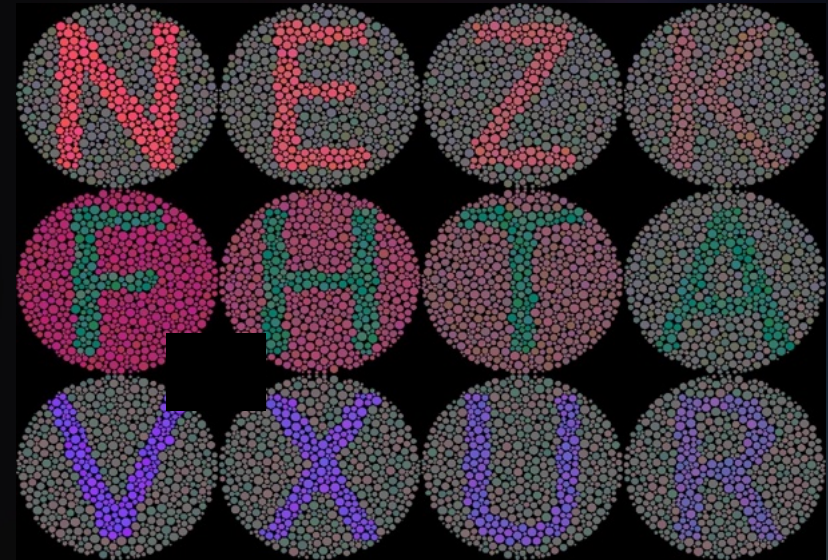

USER EXPERIENCE—QUICK RESPONSE TO YOUR NEEDS

- The T7XW and T8 are engineered for peak performance, featuring advanced Bluetooth 5.1, lightning-fast Wi-Fi 6, and robust WPA3-Enterprise security for unmatched connectivity and protection.

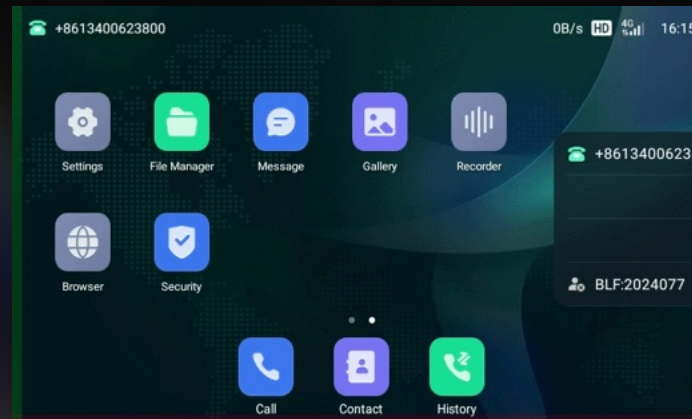

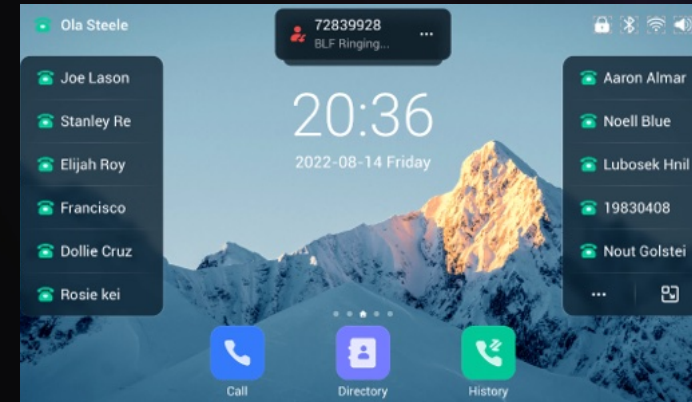

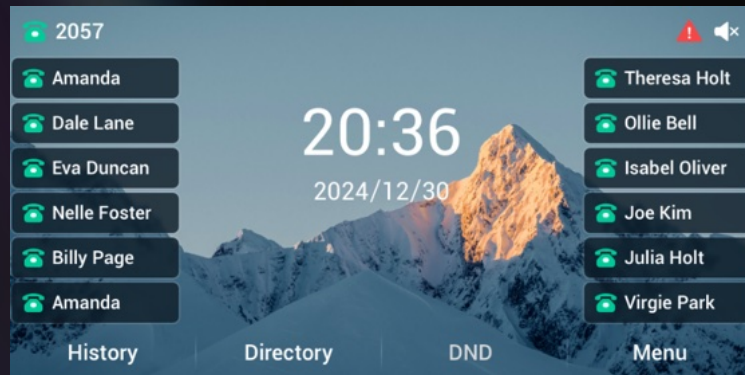

USER EXPERIENCE—Accessibility

- T7 & T8 offer features like support for red-green color vision adjustments, enhancing the user experience for all.

USER EXPERIENCE—Unified UI

- T7 & T8 adopt a unified new UI, making the interaction clearer and more convenient.
- Gesture recognition has been introduced on Android models to better suit the mobile phone experience.
- The BLF floating window can respond more quickly when users are monitoring.

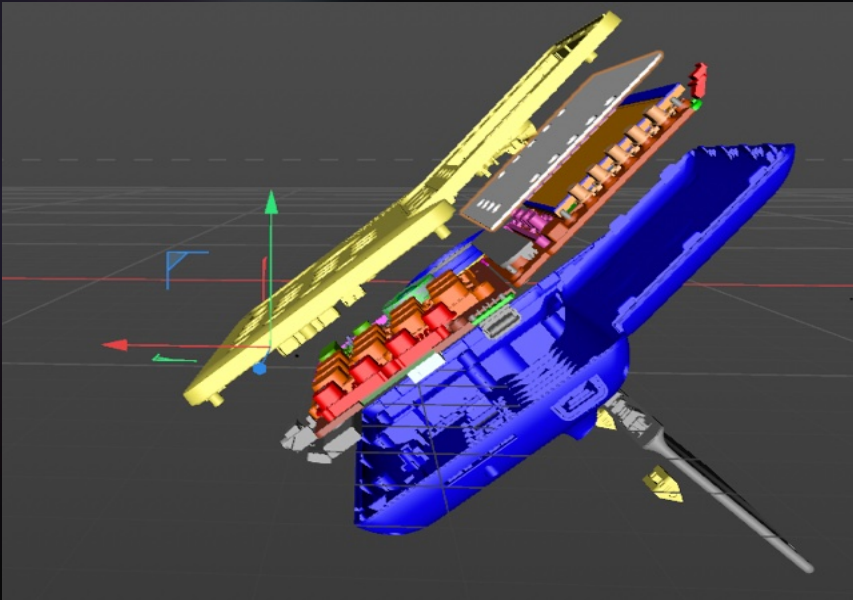

ENVIRONMENTAL FRIENDLY— Call in a Sustainable Future

- The T8 use eco-friendly **PCR materials**.
- The T8 goes a step further by incorporating **antibacterial** features, ensuring a healthier, safer workspace.
- T7 & T8 support **Smart power-saving**, combining sustainability with advanced protection.

ENVIRONMENTAL FRIENDLY—Call in a Sustainable Future

- The T8 use eco-friendly **PCR materials**.
- The T8 goes a step further by incorporating **Antibacterial** features, ensuring a healthier, safer workspace.

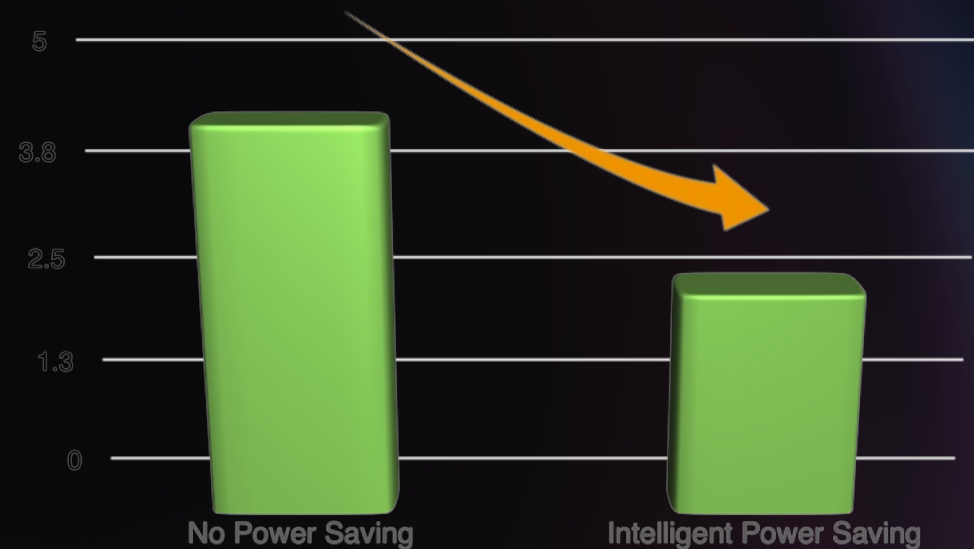

ENVIRONMENTAL FRIENDLY—Sustainable

- T7 & T8 feature **smart power-saving technology**, integrating sustainability with enhanced protection.
